Welcome Back!

Welcome back to campus! After several weeks of relaxation we are all ready to get back into action. The Fraternity & Sorority Life Staff looks forward to many great things to come of this semester!

IMPACT Retreat Proved to be a Huge Success

On Friday, January 20th, 50 leaders within the Greek Community traveled off campus to Camp Woodstock in Woodstock Valley, CT for the NIC values based program, IMPACT. At the start some may have been skeptical about spending a January weekend sleeping in cabins, but at the

culmination of the weekend, every member in attendance was filled with a strong sense of motivation, empowerment and inspiration to lead the UCONN Greek Community toward great change and success.

The IMPACT program was an eye opening experience for all in attendance, and provided an opportunity to improve relationships between Greek leaders in the community. Many activities throughout the weekend were focused around envisioning the ideal "Greek Community" and creating a plan of action to attain these goals in the future.

It is outstanding to see so many individuals committed to the future of Greek Life at UCONN. IMPACT was just the first step in transforming the Greek Community. We look forward to implementing the actions plans and accomplishing great changes within the community. A special thanks goes out to everyone who made this weekend possible. Quick thanks to **Lauren Elliott**, **Lauren Levy** and **Nick Gelbar**.
